### Everybody Needs a Rock Decision Matrix

Directions:

After you listen to Everybody Needs a Rock, decide what the three most important criteria (characteristics or qualities) are for YOUR rock and list them below in the left column. Then rate each of your rocks. You can use + for "good", - for "bad", and ? for "OK" or decide on your own code rating system.

	Rock 1	Rock 2	Rock 3
Criteria 1: (list)			
Criteria 2: (list)			
Criteria 3: (list)
